Description:

Inca Heritage is a well grown female who comes from a very distinguished family line that have multiple show awards and highly performing fleeces.

The fleece this female grows is dense, uniform in both micron and colour, bright and soft handling.

With a depth of proven show winning bloodlines in her pedigree and progeny tested with some of her progeny going on to be champions (Inca Legacy being one), Inca Heritage is an ideal female for those not only looking for reliability in her health and reproductive capacity, but also from a quality angle.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
