Description:

Inca Journey Forth is a very popular and famous female amongst the Inca herd as not only is she very well bred, but she is the dam of the 2019 BAS National Show Reserve Champion Black Male Inca Memphis who currently stands at stud here at Inca Alpaca and also multiple champion female Inca Nevada.

She is a superb looking female who has great substance of bone, supreme fibre coverage and true to type conformation. Her fleece is bright, dense and uniform in colour.

With such a proven track record for producing high quality and true to type cria, Inca Journey Forth is a fine choice for those looking to breed the next generation of high quality blacks.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
