Description:

Inca Ohio is a super stylish female that is wel grown and balanced. She has great fibre cover and with her substance of bone she offers a true to type figure.

She is growing a fleece that is dense, bright and soft handling.

With her depth of high quality pedigree, solid black male cria at foot and a mating to a sire that has proven to match this line perfectly, Inca Ohio offers breeders a great opportunity for quality and reliability.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
