### **Description:**

Quipu Zarathustra is a young male who is being sold on consignment for Quipu Alpacas.

He is a friendly and easy to handle young male. He is conformationally sound and his fleece is fine, dense and very bright.

He would make a great pet and could easily be introduced into some other young males.

This intact male comes fully halter trained and up to date with all vaccinations and vitamin drenching and is available for collection or delivery. He will require wethering later this year and this is something we can arrange.
