Description:

A rare opportunity to purchase one of our successful fawn pedigree breeding males.

With the world renowned Snowmass genetics and Dovecote Jaquinto blood lines, he is producing some fabulous progeny in both black and fawns.

He has been placed 1st, 2nd and 3rd in major shows with microns of 19.7 and 19.9 in his first two fleeces. His progeny have been placed 1st and Reserve Champions at one of the most prestigious national shows and 3rd at the Champion of Champions British Alpaca Society National Show.

He has a tremendously dense fleece, as has all our Dovecote Jaquinto progeny.

Registered with the British Alpaca Society, micro-chipped, wormed and vaccinated.

We are a well known alpaca breeder of 18 years.

A large proportion of our herd are regularly shown at major shows, winning over 300 sashes and rosettes over their show careers.

He is sensibly priced at £1,800 plus VAT.
