Description:

Bozedown Carousel a lovely brown female suri who does not look her age one bit, she 10 years old has produced some lovely crias over the years. I would expect that she will most likely have a few crias left in her if her new owner would still like to breed from her. We can discuss remating her if you wish. However, we have decided not to remate her this year for ourselves and therefore looking for a lovely new home for her.
