Description:

Inca Spritzer is a stylish young pregnant female who has a true to type head and correct proportion to her frame. She has been bred from one of our most trusted and decorated family lines and is pregnant to our Supreme Champion winning black sire in Inca Replay.

Inca Spritzer carried a dense fleece that is very bright, soft and uniform in colour.

With such a reliable and well known pedigree and a first class pregnancy, Inca Spritzer is ideal for those looking for a low risk and high performing female.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.

Name of covering male: Inca Replay (Black)
Last Mating Date: 18th August 2024
Estimated Date Cria Due (Pregnant Female): 18th July 2025
