Beschreibung:

Solid white male, with strong macho presence, dense fleece, with fourteen cria over several years, all exhibiting fine fleeces, and performing well in halter and fleece shows. Now related to many of our females, he needs to find a new herd where he can get regular work. His cria from last year have recorded fleece stats of 13.8, 14.1, 16.4 and 18 microns with their first fleeces.
