FOR SALE Applegarth Rebellion

Proven Stud | Dark Fawn | 6-years-old | BAS Reg

Applegarth Rebellion (Rebel) is a confident proven male, with an excellent frame and true to type head. His dense fleece has great coverage from head to toe with substantial staple length.

Rebel is a proven stud producing 3 fabulous girls for me. He is a confident stud and has no problem covering the girls (even the most stubborn girls!), great at spit-offs too.

It's time for my home-grown boy to move on to another herd so I can bring in new genetics to my herd. It will be sad to see him go, he loves hand fed carrots.

Halter trained, and up to date with vaccinations and husbandry, last shearing date was 9th May 2025.

Applegarth Alpacas, East Grinstead, on the borders of Sussex/Surrey/Kent.

Can deliver within 100 miles at no extra cost. Currently delivery only within the blue tongue restricted zone, after the 1st July, can deliver anywhere in England or Wales.

Prizes Won:

3rd place in Male Fawn Class at SOE halter show 2021
