### Description:

Inca Sofia is a lovely natured female who has a great head type and is conformationally correct.

She is a long stapled female with a bright soft handling fleece that is uniform in colour.

With her mating to the solid framed male Inca Lewesdon, we expect her cria to have high density and fineness on a great frame.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.

**Name of covering male:** Inca Lewesdon (Black)

**Last Mating Date:** 23rd June 2025
