### Description:

Maleficent is one of our core breeding females. She has been very successful in producing both black and silver grey. She tends to get pregnant first time and is a wonderful dam with loads of milk.

She has been mated to our new appaloosa stud male Putjade Quest sired by Popham Appaloosa

Connaught who in turn was sired by the mighty Ambersun Camouflage! Quest's dam Palton Ganashe is also an appaloosa so next years cria should be very special indeed.

Maleficent is offered with her black female cria at foot.
