Beschreibung:

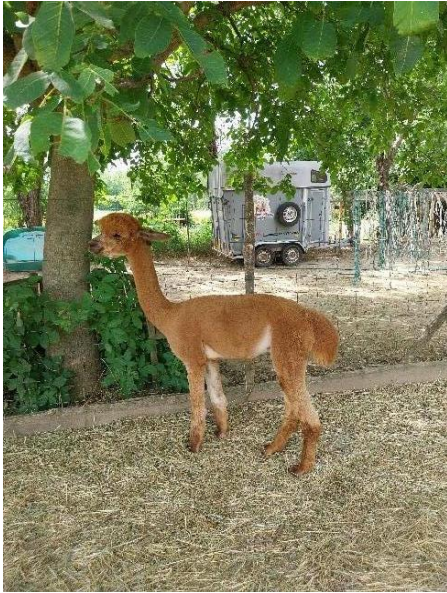

We raised Kende with a bottle because his mother Summer, due to her illness, gave him up. That's why he got used to human proximity but now he's quite detached from us.

His father is Tienda Molino Kasimir, multiple prize winner in competitions held in the Benelux. Kende is graceful, big for his age, has very fine wool, the first shearing was 15.1 microns with an SD of 2.8.
