Beschreibung:

Lane House Ambassador 🌟
Light Fawn Proven Herdsire

Highly reduced due to herd reduction sale!
50% OFF NOW ONLY £2000 plus vat!

We are releasing this special male due to having 2 of his brothers on our stud row, which means he isn't getting the work he truly deserves!

Ambassador is a truly impressive male who is retaining his qualities amazingly - see photo of his 5th fleece!
He didn't get shown in his prime due to the COVID19 pandemic, but he did pick up a couple of Reserve Championships as a Senior. 🌟

He has produced some wonderful offspring, majority being female and he also has potential to breed darker colours.

Not only is he amazing in his fleece qualities, but he has the most incredible temperament you rarely find in a herdsire. And this is passed down to all of his offspring as well, which makes him even more of a valuable asset.

DOB: 13/07/2019

Sire: The General
Dam: Lane House Bedazzle
