Description:

Inca Grey Nala is a stunning looking medium grey female who is balanced and well covered in fleece. She not only had great presence but she also has a very dense and fine fleece that is uniform in colour and micron with a deep crimp to the bright staples.

Her grey female cria at foot is very stylish and high quality and Inca Grey Nala will be made pregnant again from our new up and coming black EEaa sire Inca Palladium.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.

Name of covering male: Inca Palladium (Black)
