

Chestnut Farm Aspen

Price: \$900.00 (excl VAT)

Sire: Inca Nobleman

Dam: Chestnut Farm Amber

Type: Female

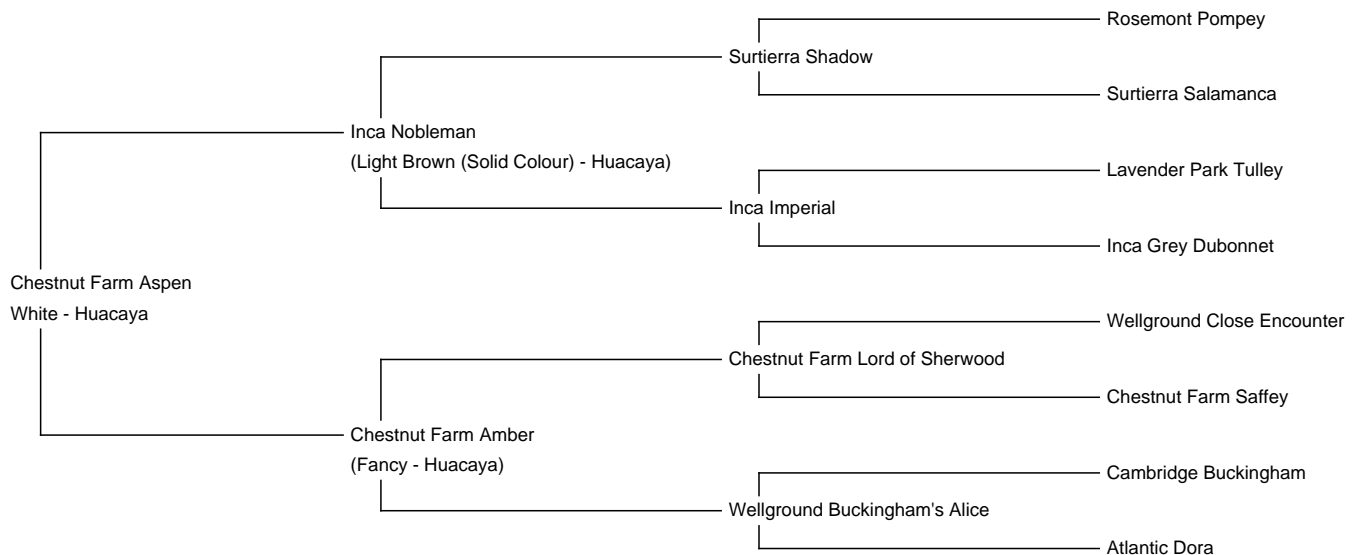

Breed Type: Huacaya

Colour: White

Registered With: British Alpaca Society

Blood Lineage: Inca / Chestnut Farm

Date of Birth: June 18 2023

Description:

Chestnut Farm Aspen is a lovely well grown white female.

She has correct confirmation and stands on a strong frame.

Aspen is sired by our Light Brown Male Inca

Nobleman, Nobleman has produced several broad ribbon winning offspring for us since being here at Chestnut Farm.

Aspen's dam is our Fawn female Chestnut Farm Amber who is a Lord of Sherwood daughter.

Aspen produces a lovely soft handling fleece showing a good staple length.

Aspen is halter trained and will be ready for mating this summer.

She will only be sold to someone who has already got Alpacas of a similar age or alternatively we do have other young females available to make up a group of 3 or 4.

All our Alpacas come with a printout of their medical history and will have a FEC done before leaving the farm.

Full after sales support and advice given.

Member of the BAS trusted seller scheme.
