**Blood Lineage:** Beck Brow / Inca

**Date of Birth:** 2nd July 2024

### Description:

Chestnut Farm Petal is a lovely, well grown young female, she stands on a correct and balanced frame with great substance of bone and correct confirmation, Petal has a true to type head style and is Light Brown in colour.

Petal grows a lovely fine, bright, soft handling, dense fleece.

Petal is sired by our Light Brown stud Male Inca Nobleman, Nobleman is having a very positive impact on our herd and has produced our Championship winning Male Chestnut Farm Alchemist and also our Supreme Champion Chestnut Farm Mr Whiteley.

Petal's dam is Chestnut Farm Francis, who is sired by Beck Brow Ammunition, so this young female is packed with top class genetics.

Petal is halter trained and easy to handle.

Unfortunately Petal is related to all our boys so this is why this young female is being offered for sale.

She will come with a printout of her medical history and will have been sheared and will be up to date on all husbandry.

We offer training and full after sales support and advice.

Petal will only be sold to someone who has already got Alpacas of a similar age.

All animals have a FEC done before leaving the farm.
