Jasmin has correct confirmation and good substance of bone.

Jasmin is sired by Inca Greshingham, her dam was Chestnut Farm Saffey who was also the mother to our multiple Supreme Champion Chestnut Farm Lord of Sherwood, so this female carries some quality genetics.

Jasmin is a fantastic mother and always feeds her cria very well, she gets pregnant easily and has always birthed without needing assistance.

Jasmin is halter trained.

She will only be sold to someone who already has female alpacas of a similar age.
