Description:

Amour Cleopatra is a very stylish young black female who is well covered in fleece but with the lower leg fleece missing due to wet grass in the winter.

Conformationally she is great and her frame is balanced and all aspects correct. Her fleece exhibits very good density, brightness and fineness and has the softest handle.

With some really famous bloodlines listed in her pedigree and a mating to our new black herdsire, Amour Cleopatra is great for those looking for a smart looking female who should be a reliable top breeder.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.

Name of covering male: Inca Redemption (True Black)

Last Mating Date: 30th June 2025

Estimated Date Cria Due (Pregnant Female): 30th May 2026
