Amour Cleopatra is a very stylish young black female who is well covered in fleece but with the lower leg fleece missing due to wet grass in the winter.

With some really famous bloodlines listed in her pedigree and a mating to our new black herdsire, Amour Cleopatra is great for those looking for a smart looking female who should be a reliable top breeder.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.
