Beschreibung:

Inca Privilege is a very stylish and striking female who carries some of the most well known brown and black bloodlines in the country.

Conformationally this girl is correct in all aspects of her frame and movement. She is well covered in fleece that is not only fine but also dense, bright and uniform in both colour and micron.

She is mated to our two times multi national champion super sire Toft Timogen and the resulting crias should be another step up and exceptionally good quality.

Inca Privilege is a very rare opportunity to buy a Snowmass Bronze Royalty daughter.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
