Omschrijving:

Green Fern Lucille is a well grown adult female huacaya who is well bred and offers buyers a very affordable route into well known bloodlines.

She is robust in her conformation and she carries a dense fleece that is bright and soft handling.

With such a depth of proven genetics and a mating to our elite black sire Inca Optimo for the spring, Green Fern Lucille is a great option for those looking to breed quality coloured stock.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
