Beschreibung:

Moondance Bloom is a very reliable and robust female who offers correct and strong conformation and high health. She is well covered in fleece and has a very true to type overall look.

She is correct in all aspects of her conformation and has retained high fertility and high productivity.

Her fleece is holding fine and is bright and uniform in both colour and micron.

Her breeding to our elite sire Inca Optimo should result in added density to the cria whilst retaining a stunning fawn, brown or black cria.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
