

Tilley Willow Price: £850.00

Sire: Rushmere Gregorius

Dam: Tilley Roxy

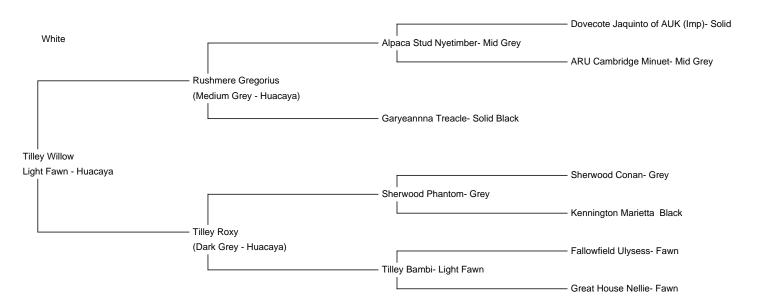

Type: Pregnant Female (Pregnant)

Breed Type: Huacaya

Colour: Light Fawn

Registered With: British Alpaca Society UKBAS43071

Date of Birth: 10th May 2022

Description:

Willow is a lovely girl who has two grey parents so has a high chance of producing fancy/ grey cria in the future! We actually think she may be a very light rose grey herself but we haven't had her colour tested to find out. Her dad is a champion grey and has definitely passed on his dense fleece quality to Willow.

She mated very easily for her first time this year and has been scanned pregnant.

Name of covering male: Croftlands Nemus (Rose Grey)

Last Mating Date: 19th May 2025

Estimated Date Cria Due (Pregnant Female): 19th April 2026

Number of Crias bred from female: 0
