Beschreibung:

NAF Halo is a true black female from the best black lines from Canchones and Sunsetestate.

She had an very fine micron and a really nice crimpstyle with rolling skin. Her cria's are really next level. Both of them have that nice rolling skin.

Now NAF Halo is pregnant from our new Stud IDH Macho which became 1st and colourchampion White on the National alpaca show (AAB) in Deurne 2022.
