Houghton Lina is a very impressive brown female.

She has produced high quality cria for us every year without fail. She did well at a handful of shows and has gone on to produce multiple champions.

She carries a very dense fleece, retaining good fineness on a compact balanced frame.

One of her best features is her beautiful true to type head style and pretty eyelashes!

She will come pregnant to our Supreme Champion & Multiple Fawn Champion - Lane House Standing Ovation. 🏆

This should result in a highly exciting coloured cria.
