Description:

Bozedown Oriental is an older black female being released at a reasonable price with a beautiful dark brown female cria at foot. Oriental is out of outstanding Bozedown suri genetics, her Sire Bozedown Singapore is a multiple champion male winning 6 champion titles himself. Her Dam Bozedown Producer II is probably one of the densest blacks we have ever bred. She had a glowing show career as well winning multiple Champions.

Oriental has produced 5 progeny all darker colours and even a rose grey male. Her female cria at foot produced by Bozedown Don't Stop Me Now is probably her best yet. She is dark brown and showing great promise of density and you can feel the wrinkles of her skin all the way up her neck!
