Description:

Korion is a strong framed male with an excellent substance of bone, with a very true to type suri head a real macho in the paddock .

His fleece is dense, fine and lustrous which contributes to its exquisite handle.

Korion is ready to work but at the moment we do not have the females to put him to as we have his sire and quite a few related females so we will not be using him to his potential as a stud male.

However Korion is an integral part of our trekking team and he is very easy to handle and calmly walks over any obstacle , through water and over bridges and even participate in our obstacle course. This makes him a very versatile assets to a herd.

Korions has been entered in both halter and fleece show and has been awarded multi championships We are looking at reducing our herd slightly as we have quiet a few cria expected this year , i have decided to offer him for sale as a potential stud male /trekking male. Korion has just been awarded a further Championship at the Cornish Fleece show - judge Mary Jo Smith .

Both his sire Pinkey Dragon and his Dam Popham Suri Radiance are multi-champions and Supreme Champions and he has a depth of quality award winning genetic behind him

To reduce our numbers he is advertised at a very low price for a quick sale.

We are open to TB testing and we are part of the British Alpaca Society Trusted Seller Scheme.
