Description:

Roan (modern grey) herd sire

We call him Teddy, as he has fluffy ears

He is gentle in nature, fully halter trained and a true gentleman with the ladies, having sired 15 cria to date.

The cria colours range from white, fawns, Roan and True black.

As the only herd sire on the farm he is now too closely related to our girls and as such we offer him a new home, hopefully with plenty of new ladies.
