### Description:

Danaerys is a strongly built, well proportioned phenotypically correct suri female. The photos show her looking lustrous in her first fleece and also this year - recently shorn. With black male - Thistledown Khartoum - as her sire and bred to Thistledown Tolstoy, her first cria (in 2026) is an exciting prospect. Tolstoy has had amazing success with his first drop of crias. Of these, 6 were available, 4 were shown at the BAS National; 3 at the HoE where we achieved Supreme Champion and 1st place Sire's progeny. A 5th junior son of his would have been shown but had a tender fleece. On her dam's side, is a roll call of impressive male suris.

**Name of covering male:** Thistledown Tolstoy of Spring Farm (Medium Fawn)
