## **Description:**

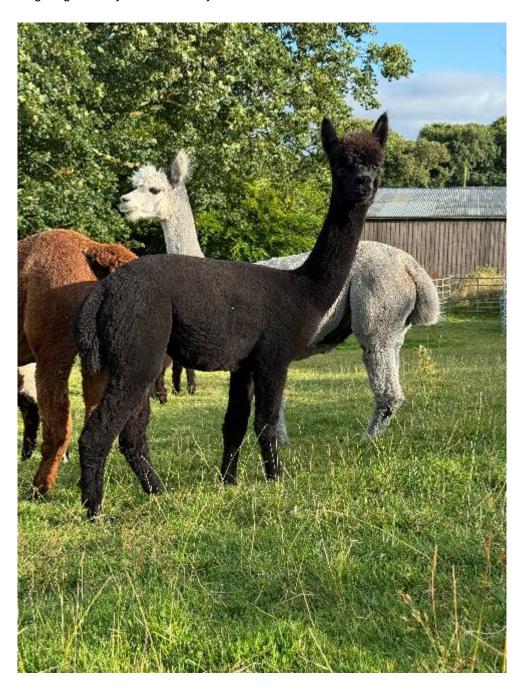

Nightingale is a true black yearling female out of our imported male, NZ Mystic Grey Zion.

She has a superfine, dense fleece and a good mix of black and grey genetics (Wyterrica Propaganda, the sought after black cross of Gendarme/Kenzoki, Celtic Rising Sun and The Chief of Bozedown).

She is a very sweet girl, eats out of your hand and is always first to greet you in the field. She is used to being called into a catch pen for feeding daily.

Her grey mother is also available (Cinders).
