Description:

Stellar is a very stylish, bay black yearling out of our imported male, NZ Mystic Grey Zion.

She carries some excellent black and grey genetics (Wyterrica Propaganda, the sought after black cross of Gendarme/Kenzoki, Celtic Rising Sun, Patou Wasimba and The Chief of Bozedown). Her fleece is ultrafine fleece with a lovely handle, good character and density.

Stellar is used to coming indoors and being called into a catch pen for feeding daily.
