A retiring grey female, with a black male cria at foot. Mojo has a very curious nature and loves her food. She is used to coming indoors or being called into catch pens in the field for feeding and is easy to handle/do husbandry tasks on. She has been a fabulous mother and would make a good aunty/companion animal or a lovely pet female.

Sire of Cria at Foot: NZ Mystic Grey Zion of Rosecraddoc (Imp) (Medium Grey)

Cria at Foot: Lovely black male who is doing well and very playful and full of beans.

We have named him Otis but could be registered with a name of his new owners choosing.

Alternatively, Mojo could be available without her cria from December for £300.

Date of Birth of Cria at Foot: 18th June 2025
