

Rosecraddoc Brennan (NEW!)

Price: £850.00 with male cria at foot

Sire: Inca Grey Bounty

Dam: Paradise Bam Bam

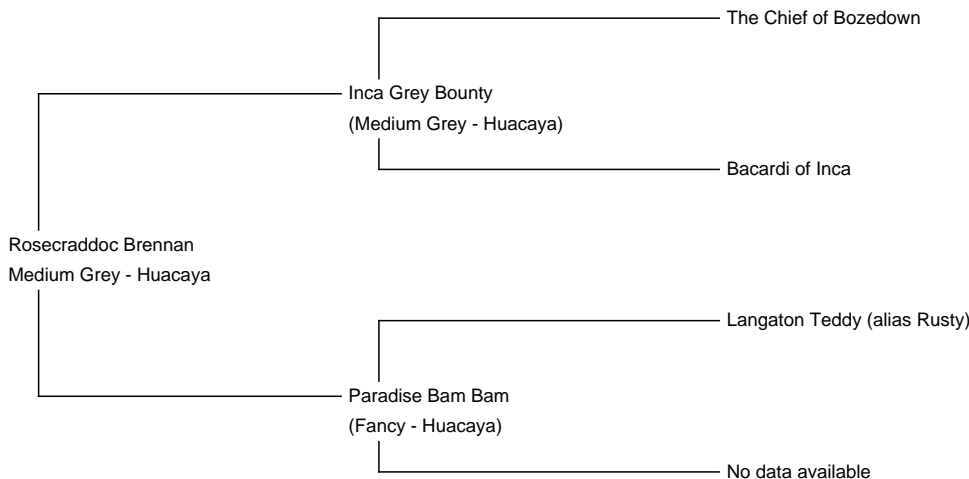

Type: Female

Breed Type: Huacaya

Colour: Medium Grey

Registered With: BAS

Date of Birth: 27th August 2012

Description:

A classic silver grey female (Chief of Bozedown lines). She is an easy birther and fabulous mum. Brennan has a fabulous track record in producing grey cria (7 out of 8) and many of them have made our show teams, some being placed at The Nationals. This year she has produced a strapping rose grey male.

Brennan knows her name and is used to coming indoors or being called into catch pens in the field for feeding. She is easy to handle and do husbandry tasks on.

Brennan will not be available until October as she is also feeding our premature cria who was rejected by her own dam. We are advertising her now in case her new owner would like her mated up before moving to her new home (she is in tip top condition and will likely produce several more cria yet). Alternatively, we are happy for her to go as a retiree to a pet home (at pet price of £300).

Brennan and Octavia are very bonded so must go as a pair.
