Description:

Notorious (or Norman as we call him) is a stunning, true to type young silver grey male, out of our imported male NZ Mystic Grey Zion. He is the result of several generations of layering and his pedigree is absolutely stacked with top grey and black genetics (Wyterrica Propaganda, the sought after black cross of Gendarme/Kenzoki, Coonawara Julius, and Celtic Rising Sun from his sire's side along with Cedar House Long John and Crewenna Amadeus from his dam's side). His fleece is ultrafine fleece (15.2micron, SD 3.7, CF 100%), uniform in colour and micron and he absolutely pumps it out (SL 105mm at 7 months of age, annualised staple length 163mm).

He is also an absolute poppet (was the star of the junior handlers class at North Somerset Show) and is used to being called into a catch pen for feeding daily.

We are only releasing him as he is related to the majority of our females and we have his sire.
