Description:

Rolo was one of our original alpacas and is our herd matriarch. She has had two cria and proved to be a very caring, attentive mother on each occasion. She is now an excellent 'auntie' to the cria in our herd. Rolo is halter trained and has been used for walking experiences in the past. She is friendly and calm and easy to perform husbandry tasks on. She is very bonded to Mivvi and so they must go as a pair.

Number of Crias bred from female: 2
