**Registriert mit:** British Alpaca Society

**Geburtsdatum:** 7/06/2021

### Beschreibung:

Crumble is a very friendly alpaca with a gorgeous fleece and just adores being fed carrots!

Crumble gave birth to her first cria in August 2025. She has proved herself to be a very attentive and devoted mother.

Crumble's sire was Cedar House Long John who has excelled in the show ring. She is very bonded to her dam, Honey, and her sister, Nutkin, and we should like them to stay together.
