### Description:

Kingsley is a very sweet and exceptionally good natured alpaca .

He has been one of our best trekking and therapy alpacas. My three year old Granddaughter walks with him and he walks so well beside her.

We are looking for an exceptional home for him as he just isn't enjoying the amount of walks we do here .

Ideally suited as an either a field companion or meet and greet alpaca.

Kingsley is exceptionally easy to handle and lead.

Kingsley will ideally be sold with another field friend from our herd as we always want our alpacas to go with a friend.
