Melford Green Golden Promise  
(Medium Fawn (Solid Colour) - Huacaya)

Highlea Kiki  
Medium Brown (Solid Colour) - Huacaya

Tilty Libby  
(Dark Fawn (Solid Colour) - Huacaya)

### Description:

Kiki is a petite 11 year old huacaya female who is a laid back, non dominant member of our herd.

Kiki is registered as a breeding female, but is now being sold as non-breeding, and would make an ideal companion in an all female herd. Kiki has previously birthed four cria, but we have decided to retire her from breeding.

She is BAS registered, microchipped and up to date with her husbandry. She had her teeth rasped in November 2025.

Kiki will need to join an existing herd of female alpacas to make a herd of at least three, or we can package her with other members of our herd that we have for sale.

**Number of Crias bred from female: 4**
