Description:

Orion is a lovely natured and cheeky male who was a key walker in our trekking team for 4 years.

Orion is a 6 year old castrated huacaya alpaca who is well trained on a halter and easy to handle and hand feed. He spent 4 years as one of our trekkers with the public and has also been used for therapeutic work with children. We are reluctantly selling him due to ceasing our public work and downsizing our herd.

Orion boasts a fabulously dense and fine fleece with a long staple length. He is such a gentle character and is wonderful to handle and has never caused us issues with husbandry tasks.

Orion is BAS registered, microchipped and is up to date with all of his husbandry and vaccinations.

He will need to join an established herd of male alpacas or we can package him with two of our males to make a herd of three.

Only 5* homes will be considered.
