Description:

Zeus is a 4 year old castrated huacaya alpaca who is well trained on a halter and easy to handle and hand feed. He is a gentle and inquisitive alpaca who has been a delight to own. He spent 4 years as one of our trekkers with the public and has also been used for therapeutic work with children. We are reluctantly selling him due to ceasing our public work and downsizing our herd.

Zeus has a dense and fine fleece with a long staple length. He will hand feed and be stroked and is easy to handle for husbandry tasks.

Zeus is BAS registered, microchipped and is up to date with all of his husbandry and vaccinations.

He will need to join an established herd of male alpacas or we can package him with two of our males to make a herd of three.

Only 5* homes will be considered.
