Description:

Chatfield Lulu – Pregnant female - £1,000 + vat

Lulu is a fantastic, reliable and consistent breeding female, she has produced mostly female offspring in Silver Grey, True Black & Fawn. Lulu is still holding great fleece qualities, showing good fineness for age and super density.

Lulu is a very beautiful fawn girl, with a pretty, true to type head. She is an experienced dam, births easy and is a great mum. She is covered by my grey stud, Houghton Silver Dream (standing at Applegarth Alpacas & Holewood Alpacas), so this will be an exciting mating as Lulu has a grey sire and black dam, there is a strong possibility of a grey cria in 2026.
