**Dam:** Allshire Ameera

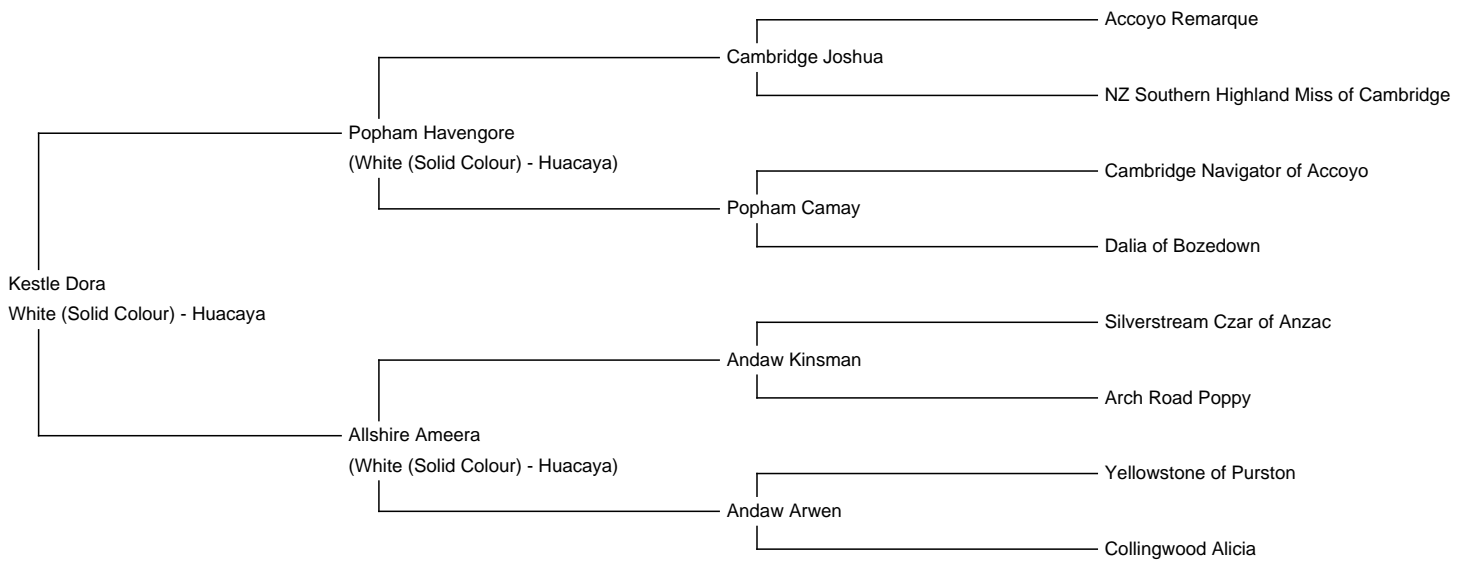

**Type:** Female

**Breed Type:** Huacaya

**Colour:** White (Solid Colour)

**Registered With:** BAS

**Date of Birth:** 17th June 2022

### Description:

Kestle Dora is a white female, friendly and ready to breed. She has produced a lovely healthy cria without difficulties or assistance in August 2025. She has not been mated for 2026.

Dora's fleece presents a good quality solid white blanket with a soft handle brought from her Dam Ameera. Dora's sire brings density and enhancement to her crimp and fineness. Daughter of Popham Havengore, National White Huacaya Champion back in his day, Dora carries fantastic genetics for breeding.

**Number of Crias bred from female:** 1
