### Description:

Bozedown Glitz

Dark Fawn Suri Maiden Female

Price: £1,950

Bozedown Glitz is a well-grown, well-balanced young female showing excellent substance of bone and a pleasing overall frame. She carries herself with style and has been halter trained.

Her fleece is a standout feature – displaying the lustrous, soft handle and cool touch that define the suri breed. It shows impressive length, with fineness measured at 19.1 microns (SD 4.2, CV 22.2, CF 98.8%) in her 2025 fibre statistics. The main area for continued improvement would be density, which will be a focus in future breeding selections.

Glitz comes from strong Bozedown genetics on both sides. Her dam, Bozedown Downtown, is also the dam of Bozedown Tia Maria, who has produced multiple brown champion males for us. Her sire, Bozedown Ghost Rider, is a son of the renowned TSS Chakotah's Binalong, adding proven suri excellence to her pedigree.

Bozedown Glitz is offered for sale at a fantastic price of £1,950
