### Description:

Elbereth is a well conformed female with a lovely temperament and a promising breeding career. She has a very fine fleece and cuts a good weight but just lacks in organisation and style, something that could definitely be added with the right male!

She is for sale with her current female cria at foot, Snowhill Calista. Calista is already showing very positive traits and both would be a strong addition to any coloured breeding programme.

Elbereth will also come with a free mating to one of our herd sires of your choosing (included in price).
