(taken on 23rd June 2024 at 1 Year and 1 Month of age)

Fibre Testing Authority: European Wool Testing Authority

Description:

Ballora is a well conformed female with a fine fleece that has average density. She would be a great addition to any coloured or grey breeding programme with her pedigree containing some great animals who have held their fineness well into their teens.

Ballora will come with a free mating to one of our herd sires of your choosing (included in price).

Number of Crias bred from female: 0
