(taken on 23rd June 2024 at 1 Year and 11 Months of age)

Fibre Testing Authority: European Wool Testing Authority

Description:

Isabella is a well conformed female with good fineness for age, reasonable density and a nice handle. Her pedigree is full of animals who are known to hold their fineness well into their teens and beyond and would make a great addition to a coloured breeding programme.

Isabella will come with a free mating to one of our herd sires of your choosing (included in price).

Number of Crias bred from female: 0

Snowhill Isabella
