Description:

Inca Grey Socrates is a very stylish looking male who has great substance of bone, high fibre coverage and a real balance to his frame.

He is the result of many years of a dedicated grey breeding programme and his pedigree is full of elite bloodlines including the famous Toft Timogen who we know is super dense and reknowned for retaining fineness.

His fleece is very fine, bright and long stapled and also qulite uniform in micron.

With being DNA tested EEaa and a very even medium grey colour, Inca Grey Socrates is perfect for those wanting to improve their stock and/or create grey progeny from solid coloured stock.

This halter trained male comes with all our normal guarantees including fertility, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
