Description:

Eccles has a lovely long, white fleece. He has a very gentle temperament. He has been used on our Alpaca Walking Experiences since 2018 and often likes to take the lead when out walking. He has also been used on our Alpaca Meet and Greet Experiences. He walks very well on the halter, he is easy to perform husbandry tasks on and loves to be hand fed.

Eccles' fleece has proved to be popular with hand spinners and, when made up into balls of yarn, with knitters as well.
