Description:

Jammie Dodger is a cheeky boy and is a great favourite with visitors. He is small for a male alpaca but has a huge personality. He is listed as having a solid dawn fawn fleece. His fleece when processed into balls of yarn has proved to be very popular and is lovely to knit with. He has been used on our Alpaca Walking Experiences and Meet and Greet Experiences since 2018. He walks very well on a halter, he loves to be hand fed and is easy to perform husbandry tasks on.
