Description:

Classical MileEnd Yum Yum is a tame and friendly mid-brown Huacaya female who will happily take feed from your hand and enjoys being stroked on her chest between her front legs. She isn't keen on walking on the halter, but will readily follow along if there's food to tempt her. Though she prefers not to share her feed, she shows her affectionate side with a cuddle and is easy to manage around the paddock. Backed by an impressive breeding background that includes Appledene Commander-In-Chief, Jolimont Commisario, Majestic Jeremiah, and Shanbrooke Tulaco, Yum Yum combines proven international genetics with a calm temperament, making her a valuable addition to any herd.

Number of Cribs bred from female: 4
